

RECYCLING TIPS

The following materials CAN be recycled

- Newspaper, magazines, & Shopping catalogues
- Junk mail & home office paper
- Tin/steel & Aluminum cans
- All plastic bottles and jugs, any number, with a neck or screw top
- Plastics #1 and #2
- Corrugated cardboard (flattened)

HOW TO RECYCLE

Plastic, Tin, Steel or Aluminum cans:

Use clear, plastic recycling bags, small plastic shopping bags (double bag to avoid spilling or tie in a bundle) or a 19-gallon plastic bin to collect aluminum, tin, aerosol cans, and all plastic bottles and jugs.

Container should be cleaned and rinsed, with lids and caps removed. Labels need not be removed.

Newspaper, Magazines, Miscellaneous Paper Products:

Use strong twine or rope, recycling bags, or small plastic shopping bags (double bag to avoid spilling or tie in a bundle) to contain newspaper.

Place remaining paper products in recycling bags. Clean out and remove all contents and flatten.

Corrugated Cardboard:

Flatten or fold clean corrugated cardboard and tie with strong twine or rope into bundles weighing less than 50 pounds. Bundles should be no more than 4x2 feet.
